For a change, we did have an airshow this year, on 22nd July, or should one say a 'fly by' to celebrate the centenary of the RAF; we had an impromptu car rally on the gloriously hot and dry day - at its peak there were 73 cars on site at 3pm, and a spectacularly large crowd of onlookers - in goodly part no doubt for the cars, as the fly by comprised at 1:15pm a Lancaster, Spitfire and Hurricane, and at 5pm the Red Arrows - that was certainly spectacular and well worth waiting for.

Our 'Grand Oldtimers Car Club', meeting on the second Wednesday of the month at The Grand, now has 60 members, with 15-20 coming to the monthly meets and a group attending many of the car rallies mainly in Kent during the summer season. Other ideas are in contemplation, particularly being able to advise on local businesses for maintenance and restoration work.

The club has provided the judges for today's event; we do, however, rely on you and our visitors to vote for the car you would most like to take home with you - voting slips are available from HQ at the top of The Grand's Palm Court steps from 2pm, with the final count being made just before the prize giving at 3.30pm.

One new development this year is a better public address system, provided locally by Alex Savage who set up on his own here and has already acquired some prestigious jobs. This includes a roving microphone facility, which will enable commentary to be given from anywhere on the rally site. With this in mind, it is proposed that instead of marshalling cars in front of the Palm Court for prizegiving, the prizes will be delivered to the prizewinners - so we thank the Folkestone Town Mayor, Cllr Ann Berry, in advance for what is to be a rather more energetic event than hitherto.

As ever, we are greatly indebted to Eileen Watling, the rally secretary, who has dealt with all the entries and resulting paperwork. She is, regrettably, housebound looking after her husband Alfie who nowadays is bedbound.

This year your chairman's daughter Julianna is masterminding the arrival arrangements as her big sister is away in Germany on her uni engineering work experience, assisted by a small team of Oldtimer members supplemented by local Rotarians and Grand residents. And it's his wife Doris that operates the website where you may be reading this.

Folkestone Town Council has again contributed to the cost of the prizes and plaques; Shepway, now known as Folkestone & Hythe District Council, maintains The Leas with its finely mown grass, the police permit the road closure, Kent County Council allows the display of our posters around the district - and not least a thank you to KMFM that sponsors us with both press and radion coverage.
