# MURDER

## AT THE GRAND

To the sounds of our talented Pianist you will be received into The Grand's Tudor Lounge for "DEL BOY DAIQUIRI's" before enjoying a Gala Dinner in the wonderful surround of The Grand.

### Only Fools and Corpses! The Story

No Income Tax, no VAT, no money back, no guarantee, if you want goods and don't ask questions – then the Eric Rotter is your man. Whether it's faulty watches, blow up dolls, briefcases, doors or dodgy plonk – Eric has what you need, or more usually what you don't need until he starts his witty sales patter and wheeler dealing.

Usually it's all very "Q T" and on the hush hush, but when a neighbour calls the police as they fear a break-in, and a dead body is discovered in the Rotter's flat, the family may all get far more attention than they ever wanted.

**Will you be the one to solve the murder and claim the prize.....?**

### Only Fools and Corpses! The Characters

#### Eric Rotter

(Wheeler-dealing market trader)

*Genuine to the core and full of optimism, Eric is a loveable rogue with the gift of the gab.*

#### Johnny Rotter

(The younger, taller half-brother of Eric Rotter)

*Accident prone, lean and gullible, Johnny has never really grown out of his petulant teenage years and can still be found sulking in the corner at times.*

#### Pete Cobblers

(Road sweeper)

*Rarely without his trusty broom, Pete Cobblers is a man of few words and even fewer brain cells.*

#### Rochelle

("Significant other" of Eric)

*A failed actress, Rochelle brings a bit of class to the Rotter household. At least, Eric likes to think so.*

#### Pandora Rotter

(Johnny's wife)

*Intelligent and slightly spoiled, Pandora has breeding, poise and all the common sense Johnny lacks.*

#### Darlene Royce

(Wife of a used car salesman)

*A trophy wife, Darlene is often left unfulfilled.*
